ABOUT THE UNIVERSITY

The Thiruvalluvar University was established in Vellore district of Tamilnadu by the Government of Tamilnadu in October 2002 under the Thiruvalluvar University Act, 2002. (Government of Tamilnadu Act 32/2002). The University was named after the great Tamil Saint poet "Thiruvalluvar". The University is located in a sprawling campus of about 112.68 acres at the Serkkadu near Vallimalai about sixteen km away from the Vellore City on the Ranipet-Chittoor Trunk Road.
It is a member of the Association of Indian Universities (A.I.U.).
In the University, every effort is harnessed to make Educational Institution as temple of learning. The aim of this University is to provide facilities for advancement in Research and dissemination of knowledge with a special focus on the economic and social upliftment of the marginalised who live in the four districts a viz Vellore, Thiruvannamalai, Villupuram and Cuddalore which are economically, socially, educationally and geographically backward districts wherein majority of the people live in rural areas with abject poverty. Especially the Vellore district comprises a thick population of Adivasis and Scheduled Tribes who are yet to attain empowerment in higher education. The University to provide for research and for the advancement and dissemination of knowledge with a focus on the economic and social upliftment of oppressed classes including Scheduled Castes, Scheduled Tribes, Most Backward Classes, Denotified Communities, and Backward Classes.
In the University, every effort is harnessed to make Educational Institution as temple of learning. The aim of this University is to provide facilities for advancement in Research and dissemination of Knowledge with focus on the Economic and Social upliftment of the society.

DEPARTMENTS OF THE UNIVERSITY

The Thiruvalluvar University has currently housed Ten departments namely Tamil, English, Economics, Zoology, Chemistry, Mathematics, Computer Science, Commerce, Physics, Bio-Technology and 74 colleges affiliated to the University with the jurisdiction of Vellore, Thiruvannamalai districts of Tamilnadu State. The University was granted 12(B) status from the University Grant Commission on 24.01.2014 and accredited with 'B+' grade by NAAC in 2018.

VISION OF THE UNIVERSITY

To inculcate the students with creative power, adhering to moral and ethics, in consonance with the saying of the sage Thiruvalluvar "Lead them to lead" for social transformation of oppressed community with cultural sustainability.

MISSION OF THE UNIVERSITY

- To provide quality Higher Education, by Teaching, Research & Extension.
- To provide quality education to the rural marginalized, down trodden strata of the society.
- To encourage a stimulating environment and sustainable growth.
- To foster integrated Development and make the people conscious of their commitment to the Society.
- To train the students to meet the global challenges.
- To provide wide opportunities to women in order to prepare them to be effective leaders.

MOTTO AND QUALITY POLICY OF THE UNIVERSITY

Our Motto :

"Lead the Learners to Lead"

Quality Policy:

We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet

Quality Quote:

Do learn well without blemishes which is worthy of being learned, and after that stand firm by what you have learned

A SHORT PROFILE ABOUT THE VICE-CHANCELLOR

Prof. Dr. T. Arumugam assumed office as the 7th Vice Chancellor of Thiruvalluvar University, Serkkadu, Vellore on 22nd of August 2022. He has had vast teaching and research experiences spanning more than 35 Years at various reputed institutions. He had been in active administrative positions for about 14 years in various capacities as the Head of the Horticulture, Research Station, Kodaikanal as the Dean of Imayam Institute of Agriculture and Technology, Thuraiyur, as the

Head of the Department of Vegetable Crops at HC&RI, TNAU, Coimbatore, as the Dean of the Horticulture College & Research Institute, Periyakulam in Theni District, Professor and Head, Department of Horticulture, Agricultural College & Research Institute, Killikulam in Tuticorin district and Vice Chancellor, Thiruvalluvar University, Vellore. Prof. Dr. T. Arumugam has pursued his Undergraduate, Postgraduate, and Doctoral Degree Programmes in Horticulture besides completing a Diploma in Export Management. He has also undergone higher training in Post-Harvest Technology at IARI, New Delhi, and UC Davis, California, USA as FAO Fellow. He has revamped the syllabi of Horticultural Sciences akin to skill development and Self-motivation during his tenure as the Chairmanship of the board of studies. He has successfully guided and produced 12 MSc Horticulture, and 8 Ph.D. Scholars, and 2 UGC Post-Doctoral Fellows. Many of his students and scholars are shining as administrators, Scientists, and successful entrepreneurs across the world.

Prof. Dr. T. Arumugam has published 22 books with an ISBN in the national leading publishing companies. A total number of 291 research articles have been published in peer-reviewed journals of National and International repute. He has successfully accomplished 14 major funded projects to the tune of 1556.61 Lakhs from various funded agencies. He has successfully organized 2 International Conference,1 National Conference, 1 ICAR Short course, 63 workshops, and training programs.

RESEARCH

As an acclaimed researcher, he had involved the release of 7 vegetables and 4 fruit crop varieties besides standardizing fifteen Agro-Technologies viz, Year-round production of Chrysanthemum, Identification of the best rootstock for cut roses, wax coating for shelf-life extension in banana, media for anthurium and orchids, Technology for polyhouse cultivation of tomato, capsicum, rose, carnation and chrysanthemum, micropropagation protocol for important medicinal and aromatic plants like rosemary, thyme, feverfew and sarpaganda. Because of his outstanding innovative contribution to the field of Horticulture, different Organizations & Research institutes signed MOUs with the institutions. He has also prepared and submitted policy documents to the Tamil Nadu state government for effective sustainable vegetation. He has functioned as Nodal Officer of EDII- Periyakulam Horti Business Incubation Forum (PHBIF) and he has successfully organized 51 training programs that produced 6600 entrepreneurs.

EXTENSION

Prof. Dr. T. Arumugam is a committed extension worker as proven through the commercial production and popularization of brinjal grafts which are having high yield and resistance against soil-borne diseases. He has evolved a strategy for the amelioration of the socio-economic condition of the farmers through the trainings on plantation of guava (Madurai and Ramnad districts – Tamil Nadu

Precision Farming Project-TNPFP) and the precision farming technology for vegetable crops (Dharmapuri and Krishnagiri districts), Tamil Nadu. Now, this technology is being adopted in more than 60,000 hectares in Tamil Nadu. The horticultural technologies developed by him in many crops are considered to be the remarkable achievements in the field of Horticulture technology.

INSTITUTION BUILDING

Through his strenuous efforts, Prof. T. Arumugam has created a State-of-the-art laboratory and other infra-structural facilities such as Molecular Biology and Post-harvest laboratory, a Vertical farming unit, an Automatic portray filling and seeding machine. The conception and development of the botanical garden, students' amenity center, modern library, world-class indoor stadium, language, and audiovisual laboratory, and the development of guava and minor fruits germplasm at Periyakulam mark the headway of the institute on par with the International Standards. He was instrumental in creating 3 new departments' viz., Post-harvest Technology, Environmental Science and Plant Protection at Horticultural College & Research Institute, Periyakulam. As committed administrator, he has created the infrastructure of the campus worth Rs. 2714 Lakhs.

AWARDS AND RECOGNITION

In recognition of his outstanding contribution to the realms of teaching, research, and extension activities, many world organizations and institutions honoured Prof. Dr. T. Arumugam with the coveted Awards and Prizes.

CORE VALUES OF THE UNIVERSITY
- To provide wide opportunities to women in order to prepare them to be effective leaders.
- The Thiruvalluvar University is guided by its Core Values in delivering its Mission and pursuing its Vision.
- The Core Values of the University are:Excellence, in teaching, learning, research and service.Innovation, through new research directions, program and partnership Creativity, in exploring new ways to add to the body of knowledge.
- Collaborative learning, by sharing knowledge across traditional boundaries.
- Entrepreneurship, through emphasis on collaborative and interdisciplinary study.
- Ethical Conduct, through instilling a value based learning system for students.
- Social Responsibility, dedicated to serving individuals, society and nation through outreach and community engagement.

MATHEMATICS

About The Department

The department of Mathematics was established in the year 2003-2004. Mathematics develops computational skills, critical thinking and problem solving skills. The theory and the techniques taught in Mathematics courses are

especially important in today's society. The Department of Mathematics recognizes this and strives to ensure that the student obtains this knowledge. The department is guided by the following vision.

Vision

To become a recognized center of excellence committed to the advancement of Mathematical and scientific Knowledge and innovations. To provide opportunities for advanced theoretical and practical learning to post graduate students in Mathematics and also to produce significant research in Mathematics by publishing and disseminating research results, knowledge and innovations to Society.

Courses Offered

• Post Graduate Courses - M.Sc. MathematicsM.Sc. Applied Mathematics (5 Years Integrated Programs)

TAMIL
About The Department

தமிழ்த்துறை 2010-2011ஆம் கல்வியாண்டில் தொடங்கப்பட்டது. ஏம்.ஏ. தமிழ்ப் படிப்பும், எம்ஃபில் தமிழ், பிஎச்டி தமிழ்ப் படிப்பை 7 மாணவர்கள் 2011-2012இல் நிறைவு செய்திருக்கிறார்கள். தமிழ்த்துறையில் தற்போது நான்கு ஆசிரியர்கள் பணிபுரிந்துவருகிறார்கள்.

Vision

தமிழியல் கல்வியை நவீனத்திற்கும் உலகமயமாதலுக்கும் ஏற்ப மாற்றி, செயல்திறனும் பல்துறை ஆய்வு நோக்கும் கொண்டதாக அமைப்பதும் அதன் அடிப்படையில் வேலை வாய்ப்புகள் உருவாக வழிகாட்டுவதும்.

மொழி, இலக்கியம், கலை முதலான பண்பாட்டு நிகழ்வுகளை ஆவணப்படுத்தி எதிர்காலச் சமூகத்திற்கு வழங்குவதும் தேவையான மரபுகளைத் தொடர்ந்து அடுத்த தலைமுறைக்கு எடுத்துச் செல்வதும்.

தம்முள்ளும் இயற்கையுடனும் மக்கள் கொள்ளும் உறவை மேலும் சரியான புரிதலுக்கு உட்படுத்துவதும் பக்குவப்பட்ட நாகரிகத்தை நோக்கிச் சமூகம் நகர்வதற்குத் தூண்டுவதும்.

Courses Offered

• Post Graduate Courses - M.A. TamilM.A. Tamil - 5 yrs Integrated

ZOOLOGY
About The Department

The Department of Zoology was established in the year 1993 from Madras University P.G. extension centre, Vellore. In 2002 the department of Zoology was merged with the new formation of Thiruvalluvar University, Vellore. After completion of 7 years, the department moved to the more spacious new building at Serkkadu, Vellore-115.

A phenomenal growth in teaching and research from 2010 onwards the research has been engaged in the field of Environmental Science, Aquaculture, Phytotherapeutics, Nanoscience and Entomology. The research activities in this department have a hardhead finding from various government agencies and also have collaborative with other Universities at National and International level. The department of Zoology has been recognized for "DST-FIST programme support (2015)" and become a recognized centre of excellence with great potentiality of science knowledge and innovations. Our aim is to provide opportunities for advanced theoretical knowledge in the field of biological sciences among the rural students of Thiruvalluvar University area. We offer two years M.Sc, one year M.Phil and Ph.D research programmes in Zoology.

Our department has produced 37 Ph.D., and 175 M.Phil Degrees. Faculty members have published more than 250 research articles in various International Journals of repute. The Department has received many projects more than 1 crore from various funding agencies. The Alumni of Zoology Department are working in various research organizations and Universities.

Courses Offered

- Post Graduate Courses - M.Sc. ZoologyM.Sc. Applied Zoology - 5 yr Integrated

COMPUTER SCIENCE

Vision

Our vision is to be a centre excellence in Computer research and training that will cater to the needed manpower in the area of computer Science at large Inception of the department of computer science Academic year 2020-2021 onwards

Courses Offered

- B.Sc Computer Science (Under Graduate 3 Year)
- B.Sc Data Science (Under Graduate 3 Year)
- B.Sc Artificial Intelligent and Machine Learning (Under Graduate 3 Year)
- B.Sc Cyber Security and Forensic Science (Under Graduate 3 Year)
- M.Sc. Data Science & Big Data Analytics (5 Years Integrated Programs)
- M.Sc. Information Technology (5 Years Integrated Programs)
- M.Sc. Cyber Security and Forensic Science (Post Gratuate 2years)
- M.Sc. Data Science and Business Analytics (Post Gratuate 2years)
- M.Sc. Computer science (Post Gratuate 2years)
- Ph.D. A Research degree leading to Doctorate in the subject

The department encourages interdisciplinary research programmes.

PHYSICS

Vision

Our vision is to be a centre excellence in physical science Research and training that will cater to the needed manpower in the area of Physics at large Inception of the department of physics Academic year 2020-2021 onwards

Courses Offered
- M.Sc. (Physics) A Two year Postgraduate Degree
- M.Sc. (Physics) 5 Years Integrated Programs
- Ph.D. A Research degree leading to Doctorate in the subject

The department encourages interdisciplinary research programmes.

COMMERCE

Vision

Our vision is to be a centre excellence in Commerce research and training that will cater to the needed manpower in the area of commerce at large Inception of the department of commerce Academic year 2020-2021 onwards

Courses Offered
- M.Com. (Commerce) A Two year Postgraduate Degree
- Ph.D. A Research degree leading to Doctorate in the subject
- Five Years Integrated M.COM.,

The department encourages interdisciplinary research programmes.

SOCIOLOGY

Vision

Our vision is to be a centre excellence in Sociology research and training that will cater to the needed manpower in the area of Sociology at large Inception of the department of Sociology Academic year 2023-2024 onwards

Courses Offered

- M.A. Sociology

MICROBIOLOGY

Vision

Our vision is to be a centre excellence in Microbiology research and training that will cater to the needed manpower in the area of Microbiology at large Inception of the department of Microbiology Academic year 2023-2024 onwards

Courses Offered

- M.Sc. Microbiology A Two year Postgraduate Degree

- M.Sc. Intregrated Microbiology A Five year Postgraduate Degree

ENVIRONMENTAL SCIENCE

About The Department

The Department of Environmental Science is established in 2024. The department is highly committed to provide the quality education and research opportunities in the field of Environmental Science.

Vision

"To be a global leader in environmental research, education, and engagement, driving positive change towards a sustainable future. We aspire to cultivate a diverse community of scholars dedicated to understanding and addressing the most pressing environmental issues of our time. Through innovative research, interdisciplinary collaboration, and experiential learning, we aim to empower our students to become effective leaders and advocates for environmental stewardship, fostering resilience and harmony between people and the planet."

Courses Offered

- M.Sc. Environmental Science

CENTRE FOR PLANNING AND DEVELOPMENT

Dr. J. Madhavan
Associate Professor & Director i/c
The Centre for Planning and Development has been created to monitor and co-ordinate the planning and development activities of Thiruvalluvar University. The Centre for planning and development has been entrusted with the task of identifying the various sources of funding. The Centre takes up the task of obtaining grants from State Government and Central Government for the infrastructural development in research promotional schemes such as 110 announcement of State Governments, Tamil Nadu Innovation Initiative Scheme (TANII), RHUSA, FIST, SAP and so on.

The Centre helps in the preparation of project proposals and to forward the Research proposal to CSIR, UGC, DST, DBT, DAE and other funding agencies as per the Thiruvalluvar University Policy for Sponsored Research Projects and Consultation works. The Centre liaisons with industries to obtain funds through Corporate Social Responbilities (CSR). The Centre takes up the task of identifying the Alumnii who can support the University with funds.

CENTRE FOR ADMISSION, AFFILIATION

The Centre for Admission and Affiliation is entrusted with the task of monitoring the admission and affiliation process. The Centre prepares the Academic Calendar and monitors the admission process accordingly. The Centre draws up

the date slots for admission as per the guidelines issued by the State of Tamilnadu and circulated to all the affiliated colleges. The Centre sends circulars to all the affiliated colleges to adhere to the reservation policy of the State Government.

All matters related to the admission process of the University and the affiliated college is undertaken by the Centre as per Tamilnadu state Government norms. The center is entrusted with the task of assisting the Registrar and the Vice Chancellor in preparing the Inspection Committee for Fresh and continuation affiliation, conducting the affiliation Committee meeting and to get it approved in the Syndicate of Thiruvalluvar University. The Centre is responsible for following the affiliation schedule drawn up the University.

CENTRE FOR ACCREDITATION
ABOUT THE CENTRE-

The Internal Quality Assurance Cell (IQAC) has been established as a post-accreditation quality sustenance measure for performance evaluation, assessment, accreditation, and quality up-gradation of institutions of higher education. According to the National Assessment and Accreditation Council (NAAC), every accredited institution of higher education should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. It ensures the efficiency and effectiveness of measures are taken/methods used to provide high-quality education and evaluates the degree to which each task is fulfilled. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work toward the realization of the goals of quality enhancement and sustenance.

Vision:
- To achieve excellence in Higher education with relevance comparable to national and international standards and global competence.

Mission:
- To empower teachers, students and society through value, skill and technology -oriented teaching, learning research and extension activities.To enhance their creative, innovative and employable abilities in the context of the evolving knowledge society and economy, influenced by global challenges and changes and promoted holistic and inclusive growth.

Centre Activities/Roles:
- AQAR-Preparation and Documentation.Uploading document details to NAAC.Conducting quality enhancement programs in campus and out campus.Scrutinizing and recommendation for CAS promotions for

teaching faculty.Collecting feedback from various state holders.The Internal Quality Assurance Cell (IQAC) accessed information from various academic and administrative departments, committees and organizations on current activities and monitored the progress of Thiruvalluvar University.The IQAC played an active role in internalizing a culture of quality within Thiruvalluvar University. This culture is maintained and sustained by several initiatives taken by the cell through the year.IQAC had insisted to conduct workshops on placement industry and other concern for the students with help from the placement cell of the University and the University – industry interface cellThe IQAC is pleased to report increase in the number of students getting placements in the industry, and also the increase in number of visiting industries for hiring to the University.IQAC framed parameters and bench marks for quality assurance and exploring new avenues for quality enhancement.The IQAC of the University has taken adequate initiatives for quality enhancement in the academic and co-curricular and extracurricular activities.

Our Core Center Activities Include:

- AQAR-Preparation for AccreditationNAAC -Preparation for DocumentationNIRF- Preparation for DocumentationTo provide suggestion to authorities for quality initiations and enrichmentConducting various programs related to quality assuranceMentoring affiliated colleges on quality improvement programme

CENTRE FOR ACADEMIC COURSES & STUDENT'S AFFAIRS
Dr.B.Kathiresan
Professor & Director i/c

The Centre for Academic Courses and Students Affairs is entrusted with the organizing and conducting board of Studies and Academic Council meetings periodically as per Thiruvalluvar University norms. There are three categories of Board of Studies as given below:
1. There is a Board of Studies for each department of teaching and research in the University.
2. There are two Boards of Studies, one for the Under- Graduate and the other for the Post Graduate courses for each departments of Teaching.
3. There is a Board of Research studies common to all the branches of studies for Research Programmes.
The Centre also deals with the student affairs such as forwarding applications for scholarships, Eligibility Certificate for admission, Equivalence Certificate for other University students and Migration Certificates.

CENTRE FOR KNOWLEDGE

Thiruvalluvar University, Knowledge Centre started functioning from year 2019, offer various service to the students, research scholars and faculty members. The main aim of this Centre is to provide support to fulfil the vision and mission of the university.

All correspondence related to Knowledge Centre to be addressed to.

Dr. G. Yoganandham,
Professor & Director i/c,
Centre for Knowledge,
Thiruvalluvar University,
Serkkadu, Vellore-632115, Tamil Nadu, India
Email : directorknowledgecentre@tvu.edu.in

Role

Coordination with the UGC & other funding agencies for various grants towards the establishment of effective Knowledge Centre, to support research activities and projects in all the departments of the University.

Coordination of procurement of e- resources and other materials required by different stake holders of the University.

To analyse all fiscal requirements for Knowledge Centre and execute strategies to achieve the same.

Develop and implement various plans to ensure effective and smooth functioning of Knowledge Centre and other related works.

Monitor all objectives and strategic goals for operations and finances and ensure the achievement of the same.

Coordinate with the university department faculty members and collect the e-content and other course materials developed by them and make it available for the use of student community.

To create Institutional repository to store the in- house publications like course syllabus, course materials, university annual work calendar, Convocation programmes, conference/seminar materials, articles and books published by faculty members, video lecturer by our faculty members, e- content developed by faculty etc.

Collaborate with other Directors, HODs and administrative authorities for Knowledge Centre activities.

Provide support and services to all the students and fulfil the academic needs and demands through Knowledge centre.

Supervise effective working of all subordinates and provide managerial assistance to all and develop team spirit.

To monitor all the works related to the Knowledge Centre and be an overall in charge of the staff working in this centre.

CENTRE FOR RESEARCH
Dr.K.Dinakaran
Asso. Professor & Director i/c

CENTRE FOR LEGAL AFFAIRS
Dr. D. Thirumalai M. Sc., M.Phil., Ph.D
Director Center for Legal Affairs

The Centre for Legal affairs has the crucial task of monitoring the legal affairs of Thiruvalluvar University. The Centre undertakes the task of preparing the replies for petitions relating to Right to Information (RTI) in consultation with the Legal Counsel of Thiruvalluvar University.
The Centre is entrusted with the task of obtaining legal opinion from the Legal Counsel in matters relating to legal issues with a view to avoid unnecessary court cases. The Centre pursues the court cases in consultation with the legal counsel and assists the Registrar in conducting the ensuing court cases.

CENTRE FOR CAMPUS DEVELOPMENT
Dr.K.Ravichandran
Professor & Director i/c

The Glimpses Of The Campus Of Thiruvalluvar University
Every effort is meticulously taken care of making the campus of Thiruvalluvar University to attain excellence in providing safety and security to academic community and public and creating eco-friendly ambience. This centre is committed to facilitate all-round activities such as academic, research, projects, planning, extra-curricular activities, and the physical development of this university.
The campus of Thiruvalluvar University has an enchanting landscape with institution of sweetness, light and sound scholarship. It has a sprawling campus, aesthetically appealing environment, massive buildings with architectural splendor, soothing verdure and litter-free atmosphere are the invaluable assets of this glorious university. In fact this eco-friendly campus would certainly leave a lasting impact on its students, faculty, employees and public. The campus has a well laid out garden of flowering plants, green trees and herbal plants. In keeping with the national policy of public health, the notion of "No Smoking

Zone" , "Litter Free Zone" and "No Plastic Zone" have been put into the practice. Every step is being taken for making this campus clean and green by adhering to the international standards and accepted parameters. Best Swachh practices are adopted on the campus which could actually serve as models for other institutions to adopt. In the University departments, students are motivated and encouraged to keep abreast of swachh campus initiatives through multifarious awareness programmes. The Thiruvalluvar University is committed to the sustainable use of resources on campus and responsible management of waste through Swachh policies of Sanitation and Hygiene, Water Resource Management, Rain water harvesting, Waste management, Solar Energy conservation, Green campus and student activity policies on the campus.

The campus of Thiruvalluvar University is featured with the basic facilities such as clean and functional toilets, safe drinking water (RO), clean surroundings and basic sensitization on sanitation and hygiene which create a conducive atmosphere of securing human dignity, safety, health and overall well-being of the students, staff and public. The very physical appearance of Thiruvalluvar university's buildings, canopies, lawns, pathways, roads and greenery stands as testimony for its cleanliness. In terms of safety and security, the Thiruvalluvar University is pioneer in safeguarding its rare medicinal value herbal gardens. Especially security personnel are vigilant enough to screen visitors in order to make this campus as free from the untoward incidents and unlawful happenings. As this university in its nascent stage housed only with 10 university departments, by 2030, Thiruvalluvar University will be glittering in the academic world with its impeccable contribution to the realm of research and its endeavor. And academic community from around the globe will visit Thiruvalluvar University and find a new vibrant academic community with astonishing research caliber.

CENTRE FOR OUTREACH

The University departments carry out a range of outreach activities with the Educational, Research and Industrial Organizations for the developmental activities. These activities are carried out by signing MoUs with the organizations for resource sharing and collaborative programmes.

The objectives of the Centre for Outreach include the following:

To facilitate the enrichment of curriculum by way of obtaining inputs from faculty of other institutions and organizations across the country and abroad. To provide academic interaction by developing tailor made courses that suit to the current requirements of the region under the jurisdiction of Thiruvalluvar University. To provide necessary support for establishment and assistance in development of e-classroom, Curriculum design, establishment of educational research labs and training for both staff and students. To develop instructional resource material

for the courses with the inputs from various other institutions and organizations for updated knowledge in the respective fields. To facilitate a continuing Quality Improvement Programme to improve the quality of teaching / learning process using ICT.

To provide internship to students enables them to have hands on training and exposure to the industry thereby ensuring their job opportunities after completion of these programmes. To provide necessary support in organizing Workshops/ Conferences / Seminars for the discrimination of knowledge in the field of research and teaching thereby enabling the University to rise up to the global standards. To engage in designing and conducting faculty development programme on pedagogy and teaching mythologies so as to create an impact among students to take up research as a career and to develop the requisite skills essential for employment. To provide the research scholars an opportunity to undertake hands on research training in various advanced research related techniques by way of using the resources available in various other institutions and organizations to complement their research activities in Thiruvalluvar University.
